

## THE *IMAGE* 300

*Image* has lost £17,000 in annual funding. This has resulted in closing down our Precious Families programme and laying off some of our valuable key workers. In our July *imagenews* we suggested that 300 monthly £5 donations would go a long way to replacing the shortfall. Each square above represents £5 and each coloured-in square is an already committed donation. We need more in order to replace the lost funding.

If God has laid the work of *image* on your heart, then you can become one of **THE *IMAGE* 300** today by visiting [www.imagenet.org/giving.html](http://www.imagenet.org/giving.html) where you will find standing order and gift aid forms.
